

As we always say with the FCS, expect the unexpected.

Last year, road teams were outstanding in the playoffs. This year, we're thinking there will be a little more stability. OK, brush the chalk off us. We like a lot of the expected winners.

But we'll go back to Georgia Southern. Is there still room on the bandwagon? The Eagles were our pre-season pick to win the FCS title. We'll just hope they don't fall behind and have to pass the ball (yikes).

It should be a terrific playoff. Take that, Bowl Subdivision. - Nov. 20
